Description

A chain free and deceptively spacious DETACHED house situated in this tree lined road within the highly regarded Knoll Area. Close to local amenities such as Schools including, St Olaves and Newstead Grammar schools as well as Perry Hall Primary. It is also within walking distance of both High Street and Orpington Station. Adaptable 4 bedroom property, including 3 double bedrooms, there is one double and one single bedroom along with bathroom on the first floor whilst downstairs has two further double bedrooms, 2 receptions rooms, another bathroom, cloakroom and a fitted kitchen. Leading off the kitchen is a covered passageway with toilet, plenty of storage and a utility room. Having been a family home since built in 1960, the property benefits from gas central heating, (the boiler we understand is serviced annually), double glazing, cavity wall insulation and there is further potential to extend (STPP) Outside there is a lovely secluded and beautifully stocked West facing garden with large patio, a large single garage and off street parking to front for up to 4 cars. This house in our opinion could be ideal for a 3 generation family and should be viewed internally to be fully appreciated.
