Hayes Wood Avenue, Hayes, Kent, BR2 7BL

£575,000 Freehold

Description

This greatly extended 2/3 bedroom semi-detached house is located in a much sought after road close to both the ever popular Hayes primary and secondary schools, as well as local shops, parkland, bus routes, and the station. Having been a loving family home to same owners for many years, the property does now require updating, but really must be viewed to appreciate the amount of accommodation and potential on offer. It is ready for the next family to move in and put their own stamp on the house and redecorate and modernise to suit their own taste. Benefitting from a large two storey extension, the current layout boasts two/three reception areas, with kitchen off. For modern day living, and those with vision, the property is crying out to be opened up to create a large open-plan living space - a real hub for this family home. Upstairs, there is the main bedroom, bathroom and separate WC, and the second bedroom measures 16'3" deep, and could easily be divided to create a third bedroom, if required. Subject to building regulations, there is also the possibility of creating an extra bedroom, and en-suite in the loft. The southeasterly facing rear garden measures some 60'0", and is presented in two sections. The first area is laid to hardstanding. The rear end of the garden is now overgrown and requiring some TLC. There is also a larger than average garage. NO ONWARD CHAIN.
