Description

Located in this select cul-de-sac of similar executive style homes, this Neo-Georgian detached family home is offered to the market "chain-free", and really must be viewed to be fully appreciated. Whilst some up-dating may be necessary, the property has been well cared for by the same family for many years, and it clear to see that it has been a loving home. The particularly spacious accommodation includes hallway leading to an inner lobby area with ample storage, cloakroom, kitchen, and large "L" shaped lounge and dining area which overlooks the rear garden. To the first floor, there are four bedrooms (the master benefitting from an en-suite shower room), and family bathroom. The rear garden comprises a wide area of lawn, large terrace, and greenhouse. Attached to the side is a tandem length garage, and there is a private driveway to the front. On the Orpington and Chelsfield borders, thus being accessible to either mainline station, the property is situated just off the lovely semi-rural Chelsfield Lane, with access to the R9 bus route, local shops and schools. Greenbelt countryside, Goddington Park, as well as Junction 4 of the M25 are all close by.
