**FREEHOLD**

**£1,000,000**

A stunning 4/5 bedroom semi-detached property, which has undergone a wonderful refurbishment to offer in our opinion a complete family home. The property is located conveniently for Petts Wood Station Square which offers a host of local shops, eateries & supermarkets. The sellers have taken the time to design this spacious home which features a good size hallway, lounge with a feature fireplace to the front, open plan & integrated kitchen/breakfast room which flows round to the second reception room. Completing the ground floor is a large utility room & ground floor W.C. On the first floor there are 4 double bedrooms & a family bathroom. The master bedroom has stairs leading to a good size & handy dressing room, which offers a generous amount of storage. This room also has an ensuite shower room. Externally the garden extends to approx. 90' & to the front there is parking via a drive for several vehicles. The house is presented immaculately & with this in mind your early viewing is highly recommended.
