Ideally located for a number of highly regarded schools, Orpington Station and local shops is this extended semi detached house. Internally the accommodation comprises: a lovely bright front reception, an extended rear reception room, a fitted kitchen (including white goods), plus the added benefit of a ground floor WC. Upstairs are 3 bedrooms along with a family bathroom. Over the years improvements have included a new consumer unit fitted in 2021, some double glazed windows and doors in 2021, gas boiler installed in 2018, in addition to cavity wall insulation installed in 2011, and gutters replaced within the last 18 months. There is a lovely large private garden, and a long private drive with off street parking for several cars which leads to a detached garage with power and light. With potential to extend STPP, and offered with the added benefit of NO CHAIN, internal viewing is strongly recommended.
