Description

Offering incredibly spacious and versatile accommodation, this deceptively large detached bungalow is set back and up, well away from the road behind trees, and really must be viewed internally to be fully appreciated. Having been a fine family home to the current owner for over twenty years, the property has been extended. There are now three bedrooms (one used as a dining room); an en-suite four piece bathroom / dressing room to the master bedroom; a large family bathroom; office; kitchen; separate utility room; lounge; plus a conservatory / garden room taking in views over the rear garden. This bungalow offers tremendous potential, and the seller has enhanced the property further with solar panels; an air conditioning unit for the Garden Room and Lounge; CCTV security; and an integrated audio system. The rear garden is well secluded, and really is a delightful place to relax or potter. Towards the rear boundary, there is a very large and secure parking area for additional vehicles, accessed via remote controlled gates from the rear service road. Furthermore, there is a garage with carport, a second carport, and many outbuildings with various uses. It is worth noting that the seller has advised that many items within the bungalow can be included in the sale.
