Property Description

Wow ! Where to start - there is so much to say about this property, that really the only way to fully appreciate all that it has to offer is to view it as soon as possible! The photos really don't do it justice.

This stunning residence has been extended and improved to create the ultimate family home, and complimented by a large and very attractive, secluded "L" shaped rear garden (a rarity in Orpington these days). It is located in a quiet side road, within just a short walk of the Ofsted "outstanding" Perry Hall Primary School. To summarise- four good sized bedrooms (master with en-suite); family bathroom and downstairs cloakroom; utility room; separate lounge; and a simply stunning 26' x 24' "L" shaped open plan living area and kitchen - the ultimate in contemporary / open-plan living - with bi-folding doors onto the garden where there is not one, but two large outbuildings (currently used as a family / games area with large bar; and a former gym / office). There is also an integral garage and ample parking to the front. The accommodation is beautifully presented, and great thought has gone into creating such a great home - with so many extras - by these sellers, for all the family to enjoy.
